

The Big Five Marathon

ACCOMMODATION AND RATES

Wildside Tented Camp

A real African Bush camp. The tents are big and include a bathroom ensuite. The tents are furnished in the classic style: bed with mosquito net, chairs, closet, and safari chairs on the terrace. There is electricity around the clock. The camp is not fenced and lies at the foot of the mountain range. Staying at the Wildside camp is a real African bush experience: A large pride of lions is often spotted in the surrounding area, and it is not uncommon to find lion tracks outside the tents in the morning.
